Dear Parents/Carers,

We are already getting excited for Christmas at Dovecotes. This year we would like to provide the opportunity for children to create their own original artwork and have it published on a range of Christmas products through Xmas4Schools. This is not only a fantastic opportunity for the children to get creative and see their masterpieces professionally printed and turned into Christmas gifts but it is also a great way of fundraising to raise money for school.

Xmas4Schools will require **an email address** and **mobile phone number** from parents/carers in order to send an electronic picture of your child's artwork to you. You can then decide if you wish to use their online portal to purchase any products such as Christmas cards, poster calendars and mugs. However, there is no obligation to purchase anything once you have received your email/text from Xmas4Schools.

As a school, we do need permission to share your details with Xmas4Schools which we will do by completing the back of the form on your child's artwork before we send it off. Please complete the consent slip below to allow us to do this and return to school on Monday 17th October. If we do not receive permission your child's artwork will not be sent off.

If you have any questions please contact me.
