Friday 20<sup>th</sup> January 2023

**NSPCC**

Dear Parents/Carers,

As part of our commitment to making Maths exciting and increasing its profile in our school, we are delighted to be supporting the NSPCC by taking part in Number Day on **Friday 3<sup>rd</sup> February 2023**.

We will be celebrating with fun Maths activities throughout the day, including taking part in a friendly in-school competition on Times Tables Rock Stars (TTRS) for KS1 and 2 pupils (which can be accessed from home with their individual log-ins). Every minute spent on TTRS and every correct answer to a multiplication or division question will earn your child's class a point. **All game modes (Gig, Garage, Studio, etc.) will count but only from games played on Friday 3<sup>rd</sup> February.** Prizes will be given to the highest scoring class in school and the highest scoring pupil in each class!

Furthermore, we will be taking part in **Dress up for Digits**. Pupils are asked to wear an item of clothing with a number/digits on (football shirt, cap or even a **onesie!**) or get even more creative by dressing in a Maths/number theme they have made. They could even use face paint to display digits! Otherwise, children can dress up as a 'rockstar' to celebrate our use of TTRS!

Any money raised will be donated to the NSPCC but, please note, this is a voluntary element and donations are not required in order to take part.

Thank you for your continued support in helping pupils with their multiplication skills from home as this is such an essential aspect of their Maths learning. We look forward to seeing all of your creative outfits and seeing your amazing number skills to celebrate Number Day!

Yours Sincerely,

Mrs L. Gould  
(Numeracy/Online Safety Lead)

Miss T. Cespedes  
(PSHE/RSE lead)
